## Commissioner Sederburg to kick off Utah Campus Tours

Commissioner William A. Sederburg will kick off a tour of the state's public universities and colleges starting tomorrow at Utah State University. Commissioner Sederburg will be joined by some members of the Board of Regents to participate in a campus tour and meetings with presidents, trustees, students, faculty, community and business leaders, and elected officials.

The tours will help the new Commissioner gain a greater understanding of the services the state's higher education institutions provide to students, their surrounding communities and businesses, and the state's economy as a whole.

"I appreciate this opportunity to gain insight into the many activities occurring at our institutions, and to be able to do this at the most local level is especially important," remarked Commissioner Sederburg. "I want to make sure that as I try to represent our institutions in front of lawmakers and other state leaders, that the higher education strategies and policies that we work to formulate support the priorities of our campuses."

The scheduled dates for upcoming tours are as follows:

Sept. 9	Utah State University
Sept. 16	Dixie State College
Sept. 17	Southern Utah University
Sept. 18	University of Utah
Sept. 19	Utah Valley University
Sept. 23	College of Eastern Utah
Sept. 24	Snow College
