A priority deadline may be established each year. Students who meet the priority deadline may be given first priority or consideration for the scholarship.

5.2. **Required Documentation:** Scholarship awards may be denied if all documentation is not submitted, if any documentation demonstrates that the applicant did not satisfactorily fulfill all course and GPA requirements, or if any information, including the attestation of criminal record or citizenship status, proves to be falsified. Required documents that must be submitted with a scholarship application include:

5.2.1. the official application;

5.2.2. an official high school paper or electronic transcript, official college transcript(s) when applicable, and any other miscellaneous transcripts demonstrating all completed courses and GPA. A final transcript showing the last semester of coursework will be requested if the student is found conditionally approved, meaning that the student appears to be on track to receive the scholarship;

5.2.3. verified ACT scores; and

5.2.4. a class schedule demonstrating the courses the student is enrolled in for the remaining school year. Simply submitting a high school transcript does not satisfy this requirement. The class schedule must contain the following information: the student's name, the school the student attends, courses the student will take for the remaining year including the number of credits each course is worth.

5.3. **Incomplete Documentation:** Applications or other submissions that have missing information or missing documents are considered incomplete, and will not be considered.

#### R609-6. Amount of Awards and Distribution of Award Funds

6.1. **Funding Constraints of Awards:** The Board may limit or reduce the Base Award and/or the Exemplary Academic Achievement Award, as well as the total number of scholarships and supplemental awards granted, depending on the annual legislative appropriations and the number of qualified applicants.

#### 6.2. Amount of Awards

6.2.1. **Base Award:** The Base Award of up to \$1,000 may be adjusted annually by the Board in an amount up to the average percentage tuition increase approved by the Board for USHE institutions.

#### 6.2.2. Exemplary Academic Achievement Award

6.2.2.1. For a student who graduates from high school in the 2009-10 school year,

6.2.2.1.1. If used at a USHE institution, the award is equal in value up to 75 percent of the tuition costs at the selected institution; or

6.2.2.1.2. If used at a private, nonprofit institution of higher education in Utah accredited by the Northwest Association of Schools and Colleges, the award is equal in value up to 75 percent of the tuition costs at the selected institution, not to exceed 75 percent of the average tuition costs of the USHE institutions.

6.2.2.2. For a student who graduates from high school in or after the 2010-11 school year, the total award is up to \$5,000, allocated semester-by-semester throughout whichever of the following time periods is the shortest:

6.2.2.2.1. Two years of full-time equivalent enrollment;

6.2.2.2.2. 65 credit hours; or

6.2.2.2.3. Until the student meets the requirements for a baccalaureate degree.

### 6.3. Distribution of Award Funds

6.3.1. **Tuition Documentation:** The award recipient must submit to the Scholarship Review Committee a copy of the college class schedule verifying that the student is enrolled full-time (12 or more credits) at an eligible institution. Documentation must include the student's name, institution they are attending and the number of credits in which the student is enrolled. The Scholarship Review Committee will calculate the amount of the award based on the published tuition costs at the enrolled institution(s).

6.3.2. **Award Payable to Institution:** The award will be made payable to the institution. The institution may pay over to the recipient any excess award funds not required for tuition payments. Award funds may be used for any qualifying higher education expense, including tuition, fees, books, supplies, equipment required for course instruction, or housing.

6.3.3. **Added Hours after Award Payment:** At the discretion of the Scholarship Review Committee and depending on funding, the student may be awarded up to 75 percent of the tuition costs of any hours added in the semester after the initial award has been made. The recipient must submit to the USHE a copy of the tuition invoice or class schedule verifying the added hours before a supplemental award is made.

6.3.4. **Credit Hours Dropped after Award Payment:** If a student drops credit hours which were included in calculating the award amount, either the subsequent semester award will be reduced accordingly, or the student shall repay the excess award amount to the USHE. If a recipient fails to complete a minimum of 12 credit hours, the scholarship may be revoked (see 4.2.3)—unless the student needs fewer than 12 credit hours for completion of a degree.

6.4. **UESP Supplemental Award to Encourage College Savings:** Subject to available funding, a student who qualifies for the Base Award is eligible to receive up to an additional \$400 in state funds to be added to the total scholarship award.

6.4.1. For each year the student is 14, 15, 16, or 17 years of age that the student had an active UESP account, the Board may contribute, subject to available funding, \$100 (i.e., up to \$400 total for all four years) to the student's award if at least \$100 was deposited into the account.

6.4.2. If no contributions are made to a student's account during a given year, the matching amount will likewise be \$0.

6.4.3. If contributions total more than \$100 in a given year, the matching amount will cap at \$100 for that year.

6.4.4. Matching funds apply only to contributions, not to transfers, earnings, or interest.

#### R609-7. Time Constraints and Continuing Eligibility

7.1. **Scholarships Initiated Within 12 Months of High School Graduation:** The award recipient must enroll full-time at an eligible institution of higher education within 12 months of the recipient's high school graduation unless the recipient seeks and obtains an approved deferral or leave of absence from the Board.

7.2. **Time Limitation:** A Regents' Scholarship recipient must use the award in its entirety within five years after his/her high school graduation date.

#### 7.3. Deferral or Leave of Absence

7.3.1. An approved deferral or leave of absence will not extend the time limits of the scholarship. The scholarship may only be used for academic terms which begin within five years after the recipient's high school graduation date.

7.3.2. Deferrals or leaves of absence may be granted, at the discretion of the Scholarship Review Committee, for military service, humanitarian/religious service, documented medical reasons, and other exigent reasons.

7.4. **No Guarantee of Degree Completion:** Neither a Base Award nor an Exemplary Academic Achievement Award guarantees that the recipient will complete his or her associate's or baccalaureate program within the recipient's scholarship eligibility period.

#### R609-8. Scholarship Determinations and Appeals

8.1. **Scholarship Determinations:** Submission of a scholarship application does not guarantee a scholarship award. Individual scholarship applications will be reviewed, and award decisions made, at the discretion of a Scholarship Review Committee, based on available funding, applicant pool, and applicants' completion of scholarship criteria. Each applicant will receive a letter informing the applicant of the decision on his/her application, whether the decision is a scholarship award or denial of scholarship.

8.2. **Appeals:** Applicants may appeal a denial of the scholarship by submitting a written appeal to the USHE within 30 days of receipt of the decision letter. Appeals will be reviewed and decided by an appeals committee appointed by the Commissioner of Higher Education. A list of required documents for an appeal is listed on the Regents' Scholarship Appeal Form.
